Way of Working

Walk the wall

What are the key (technological) developments and what do we need to do to ensure they progress according to plan?

Customer demand | (Project) Portfolio | Impediments

What is our vision and targets? / Strategy and targets

Operational performances / How do we perform?

Risks and Finance

Organizational development/improvement | Personal- and cultural development/improvement

What do we do to improve our organization?

Cascade

Organization

Support ← | Blocking issues →

Department A | Department B | Department C | ...

Sub department A | Sub department B | Sub department C
Team A | Team B | Team C

70% of problems are swamped in the hierarchy of organization

Performance Dialogue

1. Specify objectives
Set, review, prioritize and/or validate objectives.

3. Give feedback
Provide feedback on both the result and the observed behavior. Share suggestions for improvement.

2. Offer support
Provide support and coaching to achieve agreed objectives.

Leadership

There is no 'best or final obeya'

Continuously improve it

Continuously improve it

Behaviour

- Keep information up-to-date
- Work together as a team to achieve the purpose
- Communicate respectfully
- Focus on results and facts
- Act to remove (systemic) obstacles

Success

Trust
There is mutual trust in the team where feedback is given, help is requested and everything can be discussed.

Facts
Facts are available about the performance that are acknowledged and recognized and reliable.

Focus
The relationship between goals and results is clear and the amount is manageable.

Flow
Communication/ information is quickly exchanged between team members and teams.

Visual
At 1 glance it is clear whether results / goals are achieved and where there are deviations.
